### **Strong and Courageous**

(Jenny Phillips / Tyler Castleton)

We are daughters of God  
With vision of who we are  
And the love of the Savior in our hearts  
We are sons of a King (We prepared for this day)  
Heirs to our Father's throne (For ages we grew in light)  
We are true to the priesthood that we hold (And we'll  
continue to choose all that is right)

We live in perilous times  
But with prophets here to guide us  
With the Spirit inside us, With angels walking beside us

### **We will take the shield of faith**

**And we'll withstand the evils**

**Of these final days**

**We are fearless, we are brave**

**We'll defend our Father's name**

**In all things, at all times, in all places**

**We will be strong and courageous**

We will not be afraid, To walk in the Savior's way  
And prepare for the day when He will reign  
We're calling all of the earth  
To return our lives to virtue  
To be faithful in all we do,  
To join the great cause of truth
